

William R. Beach, M.D.

Bill Beach is a member of the sports medicine team at Tuckahoe Orthopaedics. He is also the President of Tuckahoe. He has a passion for education; so he's pleased to teach Sports Medicine and Arthroscopy at Orthopaedic Research of Virginia (which is one of the largest orthopaedic fellowship programs on the East Coast). He is actively involved in the Arthroscopy Association of North America and serves as secretary and board member.

Bill grew up in Ohio and received his medical degree from Ohio State University. After completing his internship and residency in St. Louis, he was awarded an Arthroscopy & Sports Medicine Fellowship from Orthopaedic Research of Virginia in Richmond. Upon completion of this fellowship, he was asked to join Tuckahoe Orthopaedics. Bill has now lived in Richmond for 20 years. He's married and has four children and one grandchild. In his free time, he enjoys golfing.
